**Phil:**

**I found you on the internet and wanted to get a rental price listing for your vacuum trucks. I have an environmental project going on in Houston and will need equipment. If you have a price sheet on your equipment that would be great.**

**I am primarily looking for pricing on:**

**80 bbl vac truck**

**130 bbl vac truck**

**Air Mover with Carbon Filtration**

**It would be nice to know what other equipment that you have so we can put you on a list of vendors for our project.**

**Thanks**
